

## Technip Energies awarded a large contract for a Floating Liquefied Natural Gas unit in Africa

Technip Energies (PARIS:TE) has been awarded a large<sup>(1)</sup> contract to perform preliminary activities<sup>(2)</sup> for a Floating Liquefied Natural Gas (FLNG) unit in Africa.

The contract will be effective until Sept 30, 2025.

Technip Energies is a global leader in FLNG, having delivered three open-sea units worldwide with a total capacity of 8.2 million tons per annum. This includes PFLNG SATU in Malaysia, Prelude FLNG in Australia and Coral Sul FLNG in Mozambique.

*(1) A “large” award for Technip Energies is a contract award representing between €250 million and €500 million of revenue. This order intake represents Technip Energies’ portion of a joint venture and will be recorded in the Project Delivery segment’s backlog in Q3 2025.*

*(2) “This large award covers preliminary activities only; additional order intake is expected to be booked upon full contract award.”*

## Important Information for Investors and Securityholders

### Forward-Looking Statements

*This press release contains forward-looking statements that reflect Technip Energies' (the "Company") intentions, beliefs or current expectations and projections about the Company's future results of operations, anticipated revenues, earnings, cashflows, financial condition, liquidity, performance, prospects, anticipated growth, strategies and opportunities and the markets in which the Company operates. Forward-looking statements are often identified by the words "believe", "expect", "anticipate", "plan", "intend", "foresee", "should", "would", "could", "may", "estimate", "outlook", and similar expressions, including the negative thereof. The absence of these words, however, does not mean that the statements are not forward-looking. These forward-looking statements are based on the Company's current expectations, beliefs and assumptions concerning future developments and business conditions and their potential effect on the Company. While the Company believes that these forward-looking statements are reasonable as and when made, there can be no assurance that future developments affecting the Company will be those that the Company anticipates.*

*All of the Company's forward-looking statements involve risks and uncertainties, some of which are significant or beyond the Company's control, and assumptions that could cause actual results to differ materially from the Company's historical experience and the Company's present expectations or projections. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those set forth in the forward-looking statements.*

*For information regarding known material factors that could cause actual results to differ from projected results, please see the Company's risk factors set forth in the Company's 2024 Annual Financial Report filed on March 10, 2025, with the Dutch Autoriteit Financiële Markten (AFM) and the French Autorité des Marchés Financiers (AMF), which includes a discussion of factors that could affect the Company's future performance and the markets in which the Company operates.*

*Forward-looking statements involve inherent risks and uncertainties and speak only as of the date they are made. The Company undertakes no duty to and will not necessarily update any of the forward-looking statements in light of new information or future events, except to the extent required by applicable law.*
